

What's on at Friends

St George's Day

This year falls on Friday 23rd April, but as in recent years, will be celebrated with The High Street will be closed on Sunday 25th, with Morris Dancers, a band and many other things going on. As well as serving a traditional Sunday lunch that day, we will also be serving haunches of Roast Pork outside The Queen's Head. There will be a promotional leaflet draw, on the day to win dinner for two at Friends. (To be drawn by The Mayor of Harrow)

ALPHA DOMUS
HAWKES BAY

The gourmet dinner, has been postponed until May, (date to be announced), because of the recent problem with the wine shipment. Hopefully the wine will be in the country by then!

Hawkes Bay is New Zealand's most exciting viticultural region. Situated on the North Island, the vineyard is next to the historic Bridge Pa airfield, where many pioneer pilots trained in the famous Tiger Moth Biplane. The Alpha Domus logo is a tribute to them.
